

Division of Family and Children Services Georgia TeenWork Internship Program

EMPLOYER INTEREST MEETING

Dear Potential Georgia TeenWork Internship Program Partner:

You are invited to an Employer Interest Meeting on Tuesday, March 6, 2018 at the **DHS-Macon Training Center (James T. Bricker) 6055 Lakeside Commons Drive, Suite 200 Macon, Georgia 31210**. The meeting time is 12:00 PM – 1:00 PM. The Purpose of this meeting is to invite you to partner with the Georgia TeenWork Internship Program.

Since 2005, the Georgia Division of Family and Children Services (DFCS) Georgia TeenWork Internship Program has provided valuable employment experiences and future career planning support for youth in Georgia's foster care system. The mission of the Georgia TeenWork Internship Program is to ensure youth, ages 15 through 18, gain valuable work and training experience through spring, summer and winter cycles within Georgia's local communities. Every year, state agencies, private companies and businesses, non-profit organizations, faith-based organizations and educational institutions across the state of Georgia partner with the Georgia TeenWork Internship Program to provide work opportunities for participating youth. The program strives to make the experience enriching and gratifying for both participating employers and youth, all while developing a more qualified and skilled workforce for the state of Georgia. For additional questions, you may contact me by phone at (404) 656-2354 or via email at katrina.williams2@dhs.ga.gov. Thank you and I look forward to our meeting!
