

FREE Middle Georgia Access to Capital Forum

Sponsored by the SBA and SCORE Middle Georgia

June 7th, 10:30AM – 1:00 PM Terminal Station Macon

The U.S. Small Business Administration (SBA) and SCORE Middle Georgia invite established small businesses to this event. Many small businesses are financially challenged and seeking traditional and alternative sources of funding. Our forum will offer a variety of funding options available to grow or expand a profitable small business venture. Panelists will include representatives from Capital Partners, a Certified Development Company focused on SBA 504 loans; Middle Georgia Regional Commission, discussing grants, loans and tax incentives; Robins Financial and State Bank outlining business and SBA 504/7a loans requirements, SCORE representatives on bootstrapping/crowdfunding and LiftFund, a non-profit lender to small businesses who have trouble accessing bank financing

Pre-registration is required as seating is limited.
