the SEC comes to you

WEDNESDAY
JUNE 13
2018

2:00 – 4:00 PM

85 Park Place NE
Atlanta, GA 30303

You're invited! Come meet the people who help make Wall Street work for Main Street. All five Commissioners of the U.S. Securities and Exchange Commission are coming to Atlanta to meet folks like you.

Young people. Seniors. The military. City dwellers, suburbanites, and rural Americans. Those saving for retirement. Mr. and Ms. 401(k). In other words, the diverse and dynamic people of the southeast region. All are invited to attend this unique town hall meeting and breakout sessions.

Don't miss this opportunity to talk to SEC leaders informally about the investing topics you care about most.
