Here are answers to a few of the most commonly asked questions

What does my group need to get started?

- Committed, service-oriented volunteers who are at least 18 years of age.
- Certification that the organization is a non-profit, tax exempt organization as defined in Section 501(c) 3 of the Internal Revenue Code.
- A designated group leader, who will be our main contact and in charge of your group during planning, training and event days.

Do you provide training?

- Yes, all volunteers will attend orientation/training classes which include proper service, hospitality training and instructions on how to operate equipment.

What are the report times for each event?

- To provide great service to our fans we generally get started about 2 1/2 hours before the event begins. Length of events vary, but most volunteers should be finished within one hour or less after the event concludes. The more organized the quicker to close.

How many people will we need?

- Each of our locations has minimum staffing requirements. *We recommend that you plan on not more than 75% of the folks, willing to participate, to be able available for the season. This will ensure you always have enough people to cover life's occurrences; illness, family occasions and such.*

What type of work will our group be expected to perform?

- Our volunteer groups perform a number of different tasks for our fans but mostly as cashiers and food expeditors [handing ordered food and beverage to the guest].

Do you provide uniforms?

- We provide shirts. Team members are expected to come ready to work in proper uniform which consists of: uniform shirt, black slacks, black, closed toe, rubber soled, slip resistant shoes, black belts and socks. **Jeans, sandals or open toed shoes are not permitted.**

How much can we earn for our cause?

- Your group will earn a % commission off of the sales for the stand you work. Commission is based on the sales per location.
