Lindsay Joins Coliseum Medical Centers as Chief Operating Officer

(Macon, GA) – Coliseum Health System is pleased to welcome Kelly Lindsay as the new Chief Operating Officer. Lindsay’s responsibilities include the smooth and efficient operation of Coliseum Medical Centers. She will begin her new duties on August 1, 2018.

Lindsay has been with HCA, both at Memorial Hospital and Orange Park Medical Center in Jacksonville, Florida, for more than 20 years, and most recently served as Vice President of Operations for Orange Park Medical Center. Prior to that, she was the Director of Cardiovascular Services and was instrumental in growing the cardiovascular service line to become a regional leader, especially in open heart surgery, for which she and her team earned numerous accreditations and accolades.

Lindsay earned a Bachelor’s in Cardiopulmonary Science from the University of Central Florida and a Master’s of Science in Management Concentration in Leadership and Organizational Effectiveness from Troy University in Troy, AL. She is a member of the American College of Healthcare Executives.

About Coliseum Medical Centers

Owned by HCA Healthcare (HCA), Coliseum Medical Centers is a 310 bed facility offering a 24-hour emergency room, diagnostic services, inpatient and outpatient surgery options, rehabilitation programs, and behavioral health. In addition, Coliseum Medical Centers’ services include specialty facilities such as the Coliseum Heart Institute, an advanced cardiac center offering all services from non-invasive cardiology to open heart surgery, Coliseum Rehabilitation Center, Coliseum Robotics Institute, Coliseum Cancer Institute, Coliseum Diabetes Management Center, and the Family Ties Birthing Center, which includes a level III neonatal nursery. The Coliseum Center for Behavioral Health provides treatment to adults with psychiatric and addiction issues. For more information about Coliseum Medical Centers’ services, visit www.coliseumhealthsystem.com.
