MORE THAN 80 COMMUNITY MEMBERS TO SERVE AS ‘PRINCIPAL FOR A DAY’

January 10, 2018

(MACON, GA) – More than 80 community members will walk in the footsteps of Bibb County School District principals on Thursday, February 7, for the third annual Principal for a Day. Principal for a Day is an initiative of the Business Education Partnership (BEP), which is a collaboration between BCSD and OneMacon.

Each school has been paired with one or more community partners who requested to serve as Principal for a Day. During their visits, Principals for a Day will learn about the day-to-day operations of running of a school, how principals balance their day between instruction and administration, how business partners can better connect industry with the students and what schools need from industry, how students are being prepared for college and the workforce, about the Leader in Me program in elementary schools, and more.
