

You're INVITED!

Join us for “Employers in the Know 2019” business seminars. This empowering crash course is an opportunity to learn about new and amended labor law regulations and legislation that affect your business in 2019 while helping to ensure compliance and profitable ventures. This annual event provides an opportunity to meet and hear from Commissioner of Labor Mark Butler, as he shares valuable information on current Georgia Department of Labor (GDOL) initiatives and programs. Learn about what Georgia is doing to encourage job growth and economic development.

Our expert labor law attorneys will provide important information to plan your policies and actions during this complex and regulatory environment facing all businesses in 2019. This year we will have experts on hand to present valuable information on Sexual Harrassment for Managers...A New Look, unemployment insurance updates, GeorgiaBEST@ Work, and more.

This program has been pre-approved for 5.25 continuing education hours under SHRM-HRCI.
