SPILLERS ORTHODONTICS ANNOUNCES 2019 SCHOLARSHIP RECIPIENTS

Warner Robins, Georgia: May 28, 2019- Spillers Orthodontics is proud to announce the recipients of the 2019 Spillers Orthodontics Scholarship. High school seniors McKinley Cranford and Makiyah Dee, both former patients, were selected from numerous applicants. Each will receive \$1,000 to be applied toward tuition, books, fees, or any other related expenses for their first year of college.

“What great, well-rounded students these two are!” says Dr. Don Spillers. “I am pleased that the future of our community will benefit from the leadership of people like McKinley and Makiyah. They will make a positive impact wherever they go, and we’re excited to help them get there.”

Selected by an impartial board, Cranford and Dee were chosen based on their achievement, leadership and service throughout their high school years. They also received excellent recommendations.

A Cochran resident and Bleckley County High School graduate, Cranford will attend the University of North Georgia in Dahlonega. Dee, a resident of Warner Robins and graduate of Warner Robins High School, will attend Georgia Tech in Atlanta.

This is the sixth year Spillers Orthodontics has offered scholarships to high school graduates who are either current or former patients. Applications for the 2020 scholarship are due March 1, 2020. For more information about the Spillers Orthodontics Scholarship, or to access the scholarship application, please visit DrSpillers.com.

About Spillers Orthodontics

Spillers Orthodontics, located in Warner Robins and Macon, Ga., has provided expert orthodontic care to patients in middle Georgia since 1993. Our mission is to provide our patients with quality care, treating each patient as we would want to be treated. For more information, please visit us online at DrSpillers.com.
