The screenshot shows the Elevate Futures Career Fairs website. On the left is a navigation menu with links like HOME, MY PROFILE, MY LEARNING, MY CAREERS, MY JOBS, MY RESUME, MY SETTINGS, MY PREFERENCES, WATCH VIDEOS, EXPLORE LEARNING, EXPLORE CAREERS, EXPLORE JOBS, MESSAGES, and HELP. The main content area displays the profile for 'Test Company 2' (TC2), categorized as 'Career Fair - November 2020'. The profile includes a description of TC2 as a leading wholesale supplier of Plumbing, HVAC, Hydronics, Industrial and Fire Protection products. Below the profile is a 'Live Chat' section with a chat window showing messages from 'Civiconnect' and 'Rory'. A red arrow points to the chat window.

//TIPS FOR SUCCESS

- Build a **full resume** before the Career Fair, so you will be ready to apply when you find the right job.
- Prepare for the interview questions, there are some standard questions to get started, but researching additional interview questions will also be helpful. The standard questions are:
 - How would you describe yourself?
 - What interests you about this particular position?
 - Do you prefer working alone or in a team? Explain.
 - What three things are most important to you in a job or occupation?
 - Why should we hire you?
 - What skills or talents do you possess?
- Prepare questions to ask employers that will help you learn more about the company and the jobs.
