The Greater Macon Chamber of Commerce invites **local service-based small businesses** to apply for a booth at the Choose Macon Biz Bazaar by completing the interest form.

We're closing down the block in front of the Chamber at 338 Poplar Street and turning it into a **showcase of Macon's business community**. This is your chance to set up a booth, share what you do best, and connect with future clients, partners, and supporters in the heart of downtown.

### BOOTH RESERVATION INCLUDES...

**Showcase** your business at a street takeover dedicated to local services

**Network** with Chamber members, small business owners, and neighbors

**Increase** your visibility with the people who live and work in Macon

**Enter** for a chance to win the **Biz Boost Check** raffle at the end of the night!
